Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity - Overdevelopment
Comments:	The promenade is a much used public space and the restaurant will create a bottleneck for pedestrians and cyclists. This would increase the likelihood of accidents occurring too. Worthing town centre has an abundance of empty shops so restaurant space is not in short supply. I really hope the council reconsider this application as the promenade should remain a space where locals and holidaymakers can enjoy uninterrupted sea views and where they can exercise and commute safely I cycle on that stretch of the promenade daily

Kind regards
