Subject: RE: FW: Roadway Licence for 14 The Meadway

Flag Status: Flagged

This licence appears to be for apparatus in/under the street not dropped kerb. However, from a highway safety point of view I have no concerns but from an enforcement point of view you may wish to check with the Highway Steward (copied in to this email) that a VCO licence was granted.

Katie

Hi Katie

here is a copy of the licence for works at 14 The Meadway (AWDM/1619/17) as requested in your email of 6th November.

I've also attached photos of the works. The applicant is seeking approval as built and shown on drawing 03B, previously sent.

Is the work acceptable?

Marie.

Dear Marie,

Here is the road license for the dropped kerb.

I think you have all the information you asked for to wrap up this application with an approval now - unless I've missed something?

Hope you can issue the approval.

With compliments,

James
