SCHEDULE

Reasons for Granting Permission

01. The proposed development would not detract from the local environment and can take place without resulting in unacceptable detriment to the amenities of neighbouring properties. It would consequently not conflict with the policies of the Adur District Local Plan (AG1, AH7).

Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. Prior to occupation of the additional accommodation hereby permitted the extensions shall be completed in materials to match that of the existing dwelling in appearance and finish. The tile hanging shall be removed from the existing first floor extension and this and the new extensions shall be rendered to match the existing building.

Reason: *-In the interests of visual amenity and to accord with policy AH7 of the Adur District Local Plan.*

03. The rooflights in the southern elevation of the existing roofslope shall be fitted with obscure glazing at all times and shall be non-openable unless they are positioned more than 1.7 metres above floor level of the room they serve.

Reason: - *In the interests of residential amenity and to accord with policy AH7 of the Adur District Local Plan.*

04. The windows in the dormer window hereby permitted shall be fitted with obscure glazing and shall be permanently non-openable.

Reason: - *In the interests of residential amenity and to accord with Policy AH7 of the Adur District Local Plan.*

05. The works hereby permitted shall be carried out in accordance with the following approved plans: -
Block plan - received 18th December 2012
Section through dormer - received 18th December 2012
Elevations as proposed - received 18th December 2012
Plans as proposed - received 18th December 2012
Roof plans - received 18th December 2012

Reason: *-For avoidance of doubt and in the interests of proper planning.*

Informatives / Notes to Applicant

01. Precautionary land contamination

If during development, any visible contaminated or odorous material, (for example asbestos containing material, stained soil, petrol/diesel/solvent odour, underground tanks or associated pipework) not previously identified, is found to be present at the site, then no further development (unless otherwise agreed in writing with the Local Planning Authority) shall be carried out until it has been investigated by the developer. The Local Planning Authority must be informed immediately of the nature and degree of the contamination present and a method statement detailing how the unsuspected contamination shall be dealt with must be prepared and submitted to the Local Planning Authority for approval in writing before being implemented.

02. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
