Dear Mr Morgan

Re: 20 North Road, Lancing

I refer to your letter dated the 15th July 2009, relating to a change of use at the above location.

I have examined the detail within this application from a crime prevention viewpoint and as a result I would ask you to consider a temporary consent for say twelve months. This would enable all interested parties to re-examine the application at the end of that period.

This letter has been copied to the applicant or their agent who is asked to note that the above comments may be a material consideration in the determination of the application but may not necessarily be acceptable to the Local Planning Authority. It is recommended, therefore, that before making any amendments to the application, the applicant or their agent first discusses these comments with the Local Planning Authority.
