Commenter Type:	Neighbour
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	- Design - Overdevelopment
Comments:	The 'shed' for storage is massive, like a Scout hut, you could live in it! The view of the roof area from our house is unsightly but more bearable now the large flagpole with flag he has , has been removed so it no longer draws the eye! If the flag pole stays absent we can live with the large roof area. We also have concern over the use of the 'shed' in relation to whether there will be any added noise?

Kind regards
