Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design - Privacy Light and Noise - Trees and Landscaping
Comments:	The style and design of the new build would be much taller and have a prominent staircase turret and roof top balustrade which would look very unappealing to the rest of the nearby buildings and street scenes. There would also be seating on this roof terrace too which would be harmful to the current views along and around the streets and my flat especially would experience more noise and disturbance

and loss of privacy. My flat would be overlooked and the lack of light and noise level would be very distracting and upsetting to me and my neighbours.

Kind regards
