Dear Sir/Madam,

**Proposal:** CHANGE OF USE FROM GUEST HOUSE (CLASS C1) TO LARGE HOUSE IN MULTIPLE OCCUPATION (SUI GENERIS).

**Site:** Marine View 111 Marine Parade Worthing West Sussex BN11 3QG.

Thank you for your correspondence, please see our comments below regarding the above application.

### **Connection**

Southern Water has indicated the exterior of the property remains unchanged. However, it has also been shown that the applicant is not proposing to use the existing connection. Therefore, as per our previous letter dated the 30<sup>th</sup> of November 2021, Southern Water will require a formal application for a connection to the public sewer to be made by the applicant or developer.

To make an application visit Southern Water's Get Connected service: <https://developerservices.southernwater.co.uk> and please read our New Connections Charging Arrangements documents which are available on our website via the following link: <https://www.southernwater.co.uk/developing-building/connection-charging-arrangements>

We request that should this planning application receive planning approval, the following informative is attached to the consent: Construction of the development shall not commence until details of the proposed means of foul sewerage and surface water disposal have been submitted to and approved in writing by the Local Planning Authority in consultation with Southern Water.

### **Disposal of surface water**

If the applicant has not already provided documentation demonstrating compliance with the surface water hierarchy reflected in part H3 of the Building Regulations, as shown below, we will require this to be provided where surface water is being considered for discharge to our network.

Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX  
[southernwater.co.uk](https://www.southernwater.co.uk)

Southern Water Services Ltd, Registered Office: Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX Registered in England No. 2366670

Whilst reuse does not strictly form part of this hierarchy, Southern Water would encourage the consideration of reuse for new developments.

- Reuse
- Infiltration
- Watercourse
- Storm Sewer
- Combined Sewer

Guidance on Building Regulations is here: <https://www.gov.uk/government/publications/drainage-and-waste-disposal-approved-document-h>

We would like to engage with you on the design for disposal of surface water for this development at the earliest opportunity and we recommend that civil engineers and landscape architects work together and with Southern Water. In many cases this may negate or reduce the need for network reinforcement and allow earlier completion of the development.

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119)
