Dear Sirs

We wish to object to this planning application mainly on the following grounds:

Unnecessary proposed use of protected green space where there are more than adequate green play and beach areas for families to enjoy without limitation or cost.

Toilets and catering facilities already exist within easy reach.

Proposed overnight camping is totally unnecessary and would only serve to encourage more to stay in the surrounding roads.

The present use is already looking an eyesore, this does not bode well for any future development.

It seems that this is another attempt by Mr Dixon to alter use of our green space for personal gain and certainly not to the benefit of Worthing and its people.

We hope that our views can be added to those already submitted.

Best regards

Paul and Margaret Gladstone
