Dear Sir/Madam,

I am writing to you as the Power of Attorney for my mother, Mrs Sandie Coverwell, a resident at 21 Melrose Close, Worthing [redacted]

We have reviewed the plans for the proposed development at 25 Strathmore Close, under Planning Reference AWDM/0431/24.

We wish to formally object to certain elements of the proposal, particularly the loft conversion on the rear/south elevation. The design of this conversion would allow for direct sightlines into my mother's garden, significantly compromising her privacy and wellbeing. The size and placement of the loft would essentially transform the property at 25 Strathmore Close into a much more imposing structure, overlooking adjacent properties.

While we have no objections to the proposed ground floor extension, as it does not affect my mothers property, the planned dormer extension as proposed is unacceptable.

We kindly request that our concerns be seriously considered and addressed in the assessment of this planning application. We urge the planning committee to withhold approval for the commencement of construction until these privacy concerns are resolved.

Thank you for your attention to this matter.

Yours sincerely,

Claire Briggs
(for Sandie Coverwell)
