For the attention of Chris Bartlett

Dear Mr Bartlett,

RE: Sir Robert Woodard Academy-Lancing
Planning Application PP-0081 8671

We, together with our Design Team and the Project Officers at the County Council have reviewed our position regarding alterations to the Upper Boundstone Lane infrastructure and now propose to revert fully to the proposals as submitted with our Planning Application.

Could we therefore formally retract our letter dated 8th October, proposing a reduction to the scope of works thereupon.

Yours Sincerely
For and on behalf of Balfour Beatty Construction Limited

G. Madelin.
