Dear Marie,

RE: **AWDM/0724/25 - 9 Rosslyn Avenue Shoreham-by-sea West Sussex BN43 6WJ.**

Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying for the proposed first floor dormer to front elevation and single storey rear extension to replace conservatory. The application is to Adur District Council.

Following a review of the submitted information, we have no objection on surface water grounds. Due to the site, size, location, type of development, and minimal increase in impermeable area **we would recommend the approval of the application**.

Yours sincerely,

Sustainable Water Management Officer
