Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Overdevelopment
Comments:	On view of the plans, I don't understand why someone would purchase a property on this road if they wanted to change it so much. Agreeing these works would set a dangerous precedent where all other properties could do the same. Properties would look grotesque and out of keeping with others in this beautiful road, blocking out the panoramic view which a bungalow street offers and the identity of the road would be lost. I know work like this will also cause bad feeling to neighbours who have lived here some time and built a wonderful friendly community.

Kind regards
