Comments:
This Holly Tree is adjacent to our property and causes a few problems, namely that Holly trees shed their leaves on a daily basis and I am foe ever sweeping up leaves and they clog my guttering on the chalet which is directly below the overhanging branches.
Also, the height of the tree takes the late afternoon sun from our garden and the roots must be undermining our property as the tree is only about 60cm from the fence.
We would be delighted to see this tree removed.
