Dear Sir/Madam,

Proposal: Change of use of taxi office (Sui Generis) to 1no. 2 bedroom residential unit with replacement windows in white UPVC.
Site: AWDM/2120/21: - 1A Station Parade, South Street, Lancing, West Sussex.

Thank you for your letter dated 19/01/2022.

Southern Water requires a formal application for any new connection to the public foul sewer to be made by the applicant or developer.

To make an application visit Southern Water's Get Connected service: developerservices.southernwater.co.uk and please read our New Connections Charging Arrangements documents which are available on our website via the following link: southernwater.co.uk/developing-building/connection-charging-arrangements

Our initial investigations indicate that there are no public surface water sewers in the area to serve this development. Alternative means of draining surface water from this development are required. This should not involve disposal to a public foul sewer and should be in line with the Hierarchy of H3 of Building Regulations with preference for use of soakaways.
gov.uk/government/publications/drainage-and-waste-disposal-approved-document-h

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site.
