Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise
Comments:	I object to this application due to concerns about privacy into my property . both my bedroom windows and kitchen window face where the proposed extension plans to be which will mean they can look straight into my bedroom and kitchen also i am concerned this will block natural light making my whole side of my property very dark ! , if this was to be passed i would insist on obscured glass on all windows and that they don't open due to my privacy concerns .

Kind regards
