James Appleton Esq.,
Executive Head of Planning,
Community and Wellbeing,
Civic Centre,
Ham Road,
Shoreham-by-Sea,
BN43 6PR.

19th July, 2010.
Your ref. ADC/0250/10

Dear Sir,

Enlargement of bungalow to form two-storey house with fully-glazed ground floor front extension and first floor front balcony at 7 The Avenue, Shoreham-by-Sea, West Sussex, BN43 5GL.

Thank you for your letter of the 9th July in respect of the above Planning Application.

I wish to object to this Application. My specific objections are:

1. There is a real danger that the foundations of my house would be adversely affected by the construction work to the extension of the garage at No. 7 The Avenue. This is because of the closeness of the extended garage to my property.

2. The front garden of my property would be overlooked and this would curtail my privacy and enjoyment of that facility.

3. I believe the proposed development is out of keeping with the character of the road.

4. **The scale of the proposed Application is excessive and overbearing.**

I would be grateful if you would bring my objections to the attention of your Planning officers and the Planning Committee.

Yours faithfully,

B. Flowers (Mrs.)
