Their enquiry was:

Re: 29 Buckingham Road Planning

Dear Sir/Madam

As far as I'm aware it should be the responsibility of the council to inform all the neighbouring properties with an interest in this land. We were not informed of this planning and I believe neither were many other properties. I have also been to see if there is any viewable notice of planning and cannot see anything.

This additional level will provide a direct view of my childrens bedroom and we obviously object to them to overlooked. We are also planning to utilise space in our loft in the near future and so this planned new level with clearly affect this.

Our garden is easterly facing and so any additional level to this property will create a loss of light/overshadowing of our property.

This development would also contravene the Shoreham By Sea management strategy to protect and enhance the area of any conservation area.

Kind regards,
Phil Burrows
