WORTHING SOCIETY CONSULTATION RESPONSE
AWDM/1101/23 - LOCATION: 38 SOUTH STREET, WORTHING, WEST SUSSEX BN11 3AA

Proposed new Ventilation Flue

Thank you for requesting our comments on the above mentioned application which is within the South Street Conservation Area. The installation will be at the rear of the building so should not harm the 'street scene'.

However, this application is somewhat outside our remit as we do not have the required technical knowledge to comment in detail on installations of this nature. Nevertheless, this is obviously a built-up area and there are some residential dwellings in the near vicinity. Therefore, we respectfully suggest that the Environmental Health Department are invited to comment on this application.

I hope this is helpful.

Yours sincerely
