Dear Sir/Madam,

Proposal: Single storey side/rear extension for a dependant relative
Site address: 108 Grand Avenue Lancing West Sussex BN15 9QD

Thank you for your correspondence, please see our comments below regarding the above application.

Rear/side extension, No Sewer mapped:

Due to legislative changes, certain Southern Water sewers are not comprehensively mapped. There are no public sewers recorded within the site boundary. However, the relevant requirements, conditions and application associated with the build-over/close-to a public sewer are available at Southern Water's Get Connected service: https://developerservices.southernwater.co.uk.

Please note, surface water should not be disposed of into a public foul sewer and must comply with the Hierarchy of H3 of the Building Regulations. For more details, refer to the Drainage and Waste Disposal: Approved Document H on the GOV.UK website.

Any new connections to the public sewerage system will require a New Sewer Connection application (also known as a Section 106) to be submitted and approved by Southern Water.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will be required to ascertain its ownership before any further works commence on site. If this happens, please call our Customer Service Desk on 0330 303 0119.

For further assistance, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (TEL: 0330 303 0119)
