Dear Ms Shannon,

TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)
RE: 62-66 GORING ROAD, WORTHING

I refer to your letter dated 11 February 2010, and submitted drawings 301/C and 302/C, in connection with your client's proposals for the change of use of the upper floors of the above property to provide 6 residential flats.

Planning permission was granted in June 2008 under WB/07/1330/FULL for the change of use of the upper floors of the above property to provide 4 x 1-bedroom and 2 x 2-bedroom flats, involving the conversion of the roof space. In my view, your client's proposal to provide 6 no. studio flats on the first and second floor, now omitting the roof space, is materially different to the approved scheme and will require the submission of a fresh planning application.

Yours sincerely,

[redacted]

Ms Jo Morin
