TO:	Adur & Worthing Councils FAO: Jo Morin
FROM:	WSCC – Highways Authority
DATE:	26 March 2024
LOCATION:	David Lloyd Leisure Romany Road Worthing West Sussex BN13 3DL
SUBJECT:	AWDM/0340/24 Retrospective application for 31 additional car parking spaces in car park
DATE OF SITE VISIT:	n/a
RECOMMENDATION:	No Objection

West Sussex County Council (WSCC), in its capacity as Local Highway Authority (LHA), have been consulted on the above full planning application (AWDM/0340/24), with regards to any highway safety or capacity concerns. The application is supported by way of a covering letter.

The application site is David Lloyd Leisure car park accessed from Romany Road, Worthing. The current application is retrospective for the minor reconfiguration of the car park to provide additional 31 car parking spaces. There are no changes to the existing access arrangements. An inspection of data supplied to WSCC by Sussex Police over a period of the past five years reveals that there have been no recorded injury accidents within the vicinity of the site access, caused by the road layout. Therefore, there is no evidence to suggest that the existing access is operating unsafely or that the proposal would exacerbate an existing safety concern.

The Local Highway Authority (LHA) does not consider that this proposal would have an unacceptable impact on highway safety or result in 'severe' cumulative impacts on the operation of the highway network, therefore is not contrary to the National Planning Policy Framework (NPPF), paragraphs 110 - 113, as revised 20th July 2021. Therefore, there are no transport grounds to resist this proposal.
