Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Privacy Light and Noise - Trees and Landscaping
Comments:	The drawn plans and labelling differs from the the birds eye photo and plotted trees from the report. Please can you look into this and clarify which trees are being felled and which are being reduced in height.

If any trees were to be cut down behind us, then we would be keen to discuss the impact further.

Kind regards
