

Existing Ground floor plan
Scale: 1:100

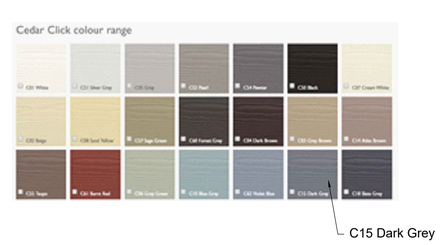

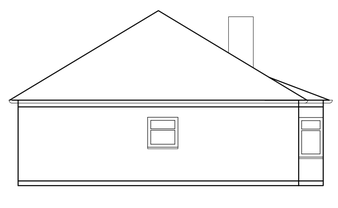

Existing Front Elevation
Scale: 1:100

Existing Rear Elevation
Scale: 1:100

Existing Side Elevation
Scale: 1:100

NOTE:
This design do not fall under permitted development because:-
Area of side dormer 1 = H-2.4, D-4.0, L-6.0 = 34.68m3

Area of Side Hip to Gable = 17.9m3

Total Volume = 52.58m3 > PD = 50m3

Side-facing windows to be obscure-glazed; any opening to be 1.7m above the floor

Roof extensions, apart from hip to gable ones, to be set back, as far as practicable, at least 20cm from the original eaves

Materials to be similar in appearance to the existing house

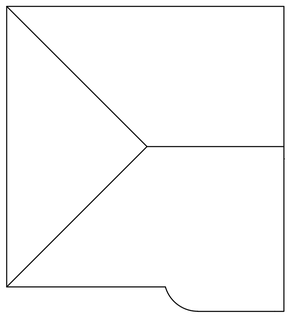

The roof enlargement does not overhang the outer face of the wall of the original house.

NOTE:
This drawing is to be read in conjunction with the Construction Notes and Structural Engineer's details.
The Contractor is responsible for all setting out and must check levels and dimensions on site before ordering materials or commencing work.
Refer to written dimensions only. Do not scale from drawings, except for the purposes of Planning assessment.
The Architect is to be immediately notified of any omissions or discrepancies.

PARTY WALLS:
Work to Party Walls (including insertion of flashings, beam bearings, etc) are subject to Party Wall agreements with neighbours and are to be arranged by the Client in accordance with Party Wall Act

SERVICES LEGEND:

- TELEVISION POINT
