Comments:	ESTEEM are in support of The Council's application for the Youth Investment Fund for Eastbrook Manor developments to support young people aged 11-18yrs. ESTEEM is keen to work together with the council in providing support and opportuntities for young people in the area, and see the Eastbrook Manor project as a benefit to meeting the needs of this age group, as well as part of leveling up an area of high deprivation. In this collaboration of our organisations, the young people from East Brook Manor will be able to access ESTEEM opportunities for additional wrap-around support from our base at The Old School House in Ham Rd. In addition, for those reaching 18yrs ESTEEM is a natural pathway for continuation support. There will be cross sign-posting from both organisations, which overall maximises opportunities for all young people.

Kind regards
