Dear Mr Cantwell,

I refer to your email of 01 August 2024 seeking comments on the above discharge of conditions request.

National Highways was appointed by the Secretary of State for Transport as a strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the Strategic Road Network (SRN). The SRN is a critical national asset and as such we work to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity.

This application seeks approval for the discharge of conditions 08, 14, 16, 23 and 42 in relation to planning permission AWDM/2039/22.

Having regard to the above, National Highways would raise no objection to the discharge of conditions under this proposal.

Thank you for consulting with National Highways and please continue to consult on other planning applications via our inbox planningse@nationalhighways.co.uk.

Regards,

**Matt Lewis** (he/him) Assistant Spatial Planner
