Subject: Re: Amended plans for AWDM/0771/25
To: planning@adur-worthing.gov.uk <planning@adur-worthing.gov.uk>

Hi Jo,

Thank you for contacting me.

My objections were two-fold:

1. Building location – resolved.
   The surgery sent me the updated plans which show the new building will occupy the same footprint as the existing one. The building will not be extended lengthwise and therefore there will be no impact on me.

2. Roof height – outstanding.
   The revised plans do not show amendments to the roof as were agreed by all parties and as you and I discussed. The surveyor, on behalf of the surgery, has advised in writing that they will try and get this through as a minor amendment once planning has been received. They (apparently) cannot do it without planning.

   It would be helpful to please understand if this is the process as I do need some assurance that commitments to me will be implemented. Would you be able to please advise?

Many thanks,
Cliodhna
