Subject: Lancing Parish Council Beach Hut Site Shopsham Road Lancing West Sussex

Your Ref:ADC/0471/10
Thankyou for your notification of 28th January 2011.
Unfortunately I shall not be able to attend this meeting on& th Februar. However my objection to this applicationn remains .The coastal path is used by dozens of people daily,summer and winter and none of us I am sure wish to find their view of the beach and seascape obscured by the rear elevation of yet more beach huts nor would I and many others wish their walk along the beach itself narrowed by the same.
In my opinion the Council should enquire into the actual usage of the beach huts already in existance along the beach flanking Beach Green which seem to have minimal use even on sunny week ends and public holidays.

Yours Sincerely

G E Crouch

(Coastal Haven,East Street,Lancing)
