Hello Matthew,
This note is about 1 Beach Road and the application for a first floor conservatory.

We spoke on the phone about it a couple of weeks ago.
We are at 2 Beach Road.

I had 2 concerns.
One was privacy and overlooking, the other was access to our outer balcony wall for maintenance.
We spoke to our neighbours.
We are assured that the higher level window facing our house will either be frosted glass or UPVC and that the conservatory will be built back from the boundary to enable access, ie not as on the plan submitted.
We accept this assurance and hence have no objections and as such this note is not intended for submission onto the website.

I would however be grateful to receive acknowledgement of receipt of this email if you could please?
Regards,
