ADUR DISTRICT CONSERVATION ADVISORY PANEL

ADDENDUM TO MINUTES – PERIOD ENDED 7.5.24

AWDM/0526/24 – Advertisement Bus Shelter, Coronation Green, High St. Shoreham

Whilst members are mindful to support this application they have raised one point which they feel should be addressed, ie. re the movement of the advertising images every 10 seconds whereby a longer interval between advertisement changes (the proposed 6 changes per minute is visually too disrupting) could such a change of say every 20 seconds with a slow image change control so as to have less impact on the street scene for the public & a visual distraction to passing motorists. **APPROVE**
