Comments

Have I studied the plans for this development I have a number of concerns that I wish to raise.

- The size of the extension, this property has already been extended once. This will be a severe over development of this site.
- No other property in the area has been developed like this. It's not in keeping with the area.
- The rear extension will end further down the garden than the original extension – I will loose privacy in my garden, living room and kitchen.

Unless you indicate below you will not be allowed to speak at the Committee meeting:-

I wish to speak on the application at the Committee meeting – ~~YES~~ / **NO**
