Stance: Customer objects to the Planning Application

Reasons for comment: - Design  
- Privacy Light and Noise

Comments: I wish to object to the proposed planning application due to the invasion to privacy i believe it will cause to us. there will be views into our conservatory, decking and garden due to the height of the extention and dormar windows and the rise in the land. The environs of this area is low buildings ie bungalows and this property will look out of proportion to the other properties in the area.
