Attachments: ADC15310.doc

Jamie,

Thanks for yr holding reply.

Just to let you know, we have received an objection from the occupiers (Woods of Sussex) of units 8-10 stating that the applicants (units 3-5) and especially Higgidy Pies at Unit 6 are causing access problems by using some of their parking spaces for storage. They refer to vans overhanging the access road and pallets left in the emergency access area.

Regards

Keith

This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals which include up to 5 residential units or extensions to single units accessed from roads that do not form part of the Strategic Road Network (SRN). As such the comments provided by Local Development should be considered to be advice only, with respect to this planning application.

This proposal has been considered by means of a desktop study, using the information and plans submitted with this application, in conjunction with other available WSCC map information. A site visit can be arranged on request.

I refer to your consultation in respect of the above planning application and would provide the following comments.

There are a number of issues that need further consideration; we will therefore be in the position to give ADC a full response in the next 7 days.
