SCHEDULE

Reasons for Granting Permission

01. The proposed development is within the built-up area and would help meet the need for additional housing without detracting from the existing local urban environment. It can take place without resulting in unacceptable detriment to the amenities of neighbouring properties and without detraction from highway safety. It would consequently not conflict with the relevant policies of the Adur District Local Plan (AG1, AB3-4, AH2, AH5, AH2) and the West Sussex Structure Plan 2001-16 (LOC1, NE1, CH1, CH4, ERA1, DEV1, DEV4-5).

Conditions

01. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: *To comply with Section 91 of the Town and Country Planning Act 1990.*

02. No development shall be carried out unless and until a schedule of materials and finishes to be used for the entrance door and first and second floor windows hereby permitted have been submitted to and approved in writing by the Local Planning Authority. Work shall be carried out in accordance with such details.

Reason: *In the interests of visual amenity and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*

03. The accommodation shall not be occupied until an internal refuse storage area has been provided in accordance with detailed drawings to be submitted to and approved in writing by the Local Planning Authority. This area shall remain as a refuse store only and no refuse shall be stored to the front of the property or on the highway at any time other than the day of collection.

Reason: *In the interests of amenity and to comply with policy AH2 of the Adur District Local Plan and DEV1 of the West Sussex Structure Plan.*
