Details of the pre-application advice received

It is understood that the new proposal to relocate the shed away from the neighbours living room window would solve the issues raised previously and be a good solution to the matter.

Amendments Summary

The new proposal is the keep the shed at existing dimension as previously advised and re locate the shed to the North West boundary of the garden away from the neighbours window. In short, a new concrete base will be laid, the the shed rotated 90 degrees and moved to the new location as shown on the new drawings and location plan. This has been discussed with Gary Peck and it is in his opinion a solution to the existing issue.
