Dear Rebekah,

Thank you for your e-mail.

I can confirm the visibility splays of 2.4 x 43 metres will not be essential within this site, however the pedestrian visibility splays of 2 x 2 metres must be conditioned accordingly.

Kind regards,

Chris

Think sustainably. Do you have to print? Can you double side? Do you need colour?

Dear Chris,

I have received your comments in respect of the above planning application concerning the formation of vehicular access and driveway.

The applicant would be able to provide the 2 x 2m pedestrian visibility splays but I note the requirement 2.4 x 43 m visibility splays which would be outside the applicant's control. Would the pedestrian visilibity splays alone be satisfactory?

Regards,
Rebekah Smith
