Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking
Comments:	Am very concerned about the possible lack of access or exit from my property as there is only one entrance /exit. Myself a resident of Southon View and other residents have to work and if a large delivery or building section is started am concerned access will be blocked. The resident of Seville also has several commercial vehicles parked around the entrance to this road already so where will builders vans etc park their trucks. No objection to the property being improved just can envisage a lot of problems with builders etc.
