Dear Marie,

RE: AWDM/1478/25 - 7 Glebe Close Southwick West Sussex BN42 4TF

Thank you for your consultation on the above site. We have reviewed the application as the drainage consultant acting on behalf of the Council and wish to make the following comments.

The applicant is applying for a two-storey pitched rear extension and a first floor pitched front extension. The application is to Adur District Council.

Following a review of the submitted information, we have no objection on surface water grounds. Due to the site, location and type of development, **we would recommend the approval of the application.**

Yours sincerely

Sustainable Water Management Officer
