Comments Details

Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Reasons for comment: - Design

Comments: I would like to give my support to this project. Having lived in Sompting for 20 years prior to getting married I remember well my visits to that parade of shops. To enhance the frontage will add to the shopping area and make it more pleasant to browse and walk by. We live in a beautiful part of the country and therefore anyone who seeks to make the place look nice will get my support.
