Application Reference : AAP/0008/10

Dear Sir/Madame,

Reference The Appeal Statement

The application in support of the preposed developement refers to the mixed appearance of Downside properties,this could be misleading.
In reality,the new developement would be in Tottington Way introducing the first and only house into an environment that consists of five reasonably small low level bungalows with no dormas or roof constructions.
In this respect,the scale and proximity to the road of the preposed developement would be out of character with the existing environment and therefor undesireable,
My wife and I, enjoy an outlook of natural beauty from our bungalow at 3 Tottington WAY,very influential in our purchase.
While of little concern to some,this outlook would be destroyed.

Sincerely, Mr & Mrs R R Price.
