## Comments Details

| | |
|---|---|
| **Commenter Type:** | Neighbour |
| **Stance:** | Customer objects to the Planning Application |
| **Reasons for comment:** | - Privacy Light and Noise |
| **Comments:** | We object to the proposed application due to the fact that the close proximity of the new rear south facing window will directly overlook<br>our main living area which is a gross invasion of our privacy. The window also overlooks our main patio areas which currently are private and if this proposal goes ahead we will lose all privacy and we will find this very distressing. |

Kind regards
