Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Design
Comments:	Having looked at the proposal on many occasions I cannot understand why the materials stated are not in keeping with the original or surrounding building. The proposal deviates from this. In addition, the proposed extension is not only out of keeping with all other properties in the vicinity especially where the design of roof and materials are proposed. The planning policy of the council is that materials to be similar in appearance to the existing property the only exception is a conservatory.
