Stance:	Customer objects to the Planning Application
Reasons for comment:	- Loss of General Amenity
Comments:	Being the Manager of an independent retirement living complex in Swiss Gardens, I am fully aware of how difficult it is for my residents to adjust to loss of local amenities. Apart from us, there is Tollbridge House, St. Nicholas Court and many other local elderly people who rely on this shop for their every day bits of groceries. It was bad enough when the Post Office withdrew their services from this site, but by allowing this application to go ahead is just adding insult to injury to the Senior Citizens in this locality. But, unfortunately, that seems to be the norm these days. Please seriously reconsider this application and keep the shop open.
