Reasons for comment:
- Design
- Trees and Landscaping

Comments: We were disappointed to see so much use of the gabion blocks as do not feel they are appropriate for the area but more suitable for the beach. Also, considering the location is about 200m from the entrance to a National park and two large, healthy trees were felled to make room for the car parking we would have expected to see the garden design more in keeping with and sympathetic to, this locality.
