Comments Details

Commenter Type:	Neighbour

Stance:	Customer objects to the Planning Application
Reasons for comment:	- Highway Access and Parking - Other - Privacy Light and Noise
Comments:	As owners of Tides Restaurant next door, we object to this application because: *The outside tables will be designated smoking tables and will impact on our guests eating in our non smoking conservatory area, especially in the summer when the partial screen are down. Due to the small area outside these tables will be right next to our guests who will be overlooked and affected by any noise,smells and loss of privacy. *The 830pm curfew that they propose will be impossible to manage and will lead to noise and disturbance for the nearby local residents. As suggested by the designing out crime officer, the seating would need to come in at 8.30pm but this does not stop people congregating to drink and smoke outside *There is limited parking on the parade and this would impact the residents and our elderly guests who may not be able to park close to the restaurant
