Dear Mr Wright

I am writing with reference to the above application.

I consider the proposed porch to be rather large and it is likely to be a prominent feature in the street if built as currently drawn.

To make it more acceptable I would recommend that the porch is reduced in width and height.

I shall be grateful if you would submit a revised plan by 10 June at the latest.

Please contact me if you would like to discuss the matter further.

Yours sincerely
