**S106 contribution: £ N/A**

---

**This application has been dealt with in accordance with the Development Control Scheme protocol for small scale proposals which include up to 5 residential units or extensions to single units accessed from roads that do not form part of the Strategic Road Network (SRN). As such the comments provided by Local Development should be considered to be advice only, with respect to this planning application.**

West Sussex County Council was consulted previously on Highway Matters for this location under planning application no. SU/176/05 to which no highway objections were raised.

This proposal has been considered by means of a desktop study, using the information and plans submitted with this application, in conjunction with other available WSCC map information. A site visit can be arranged on request.

No anticipated highway safety implications.

If the LPA are minded to approve this application then a condition should be attached ensuring that 24hr contact details are clearly marked on the cabinets and mast in case of emergency or damage to the equipment.
