Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	- Other - Trees and Landscaping
Comments:	As a resident of Grand Avenue only approx. 100 metres from proposed site, I am appalled by the impact that this tower could have on the very special landscaping. I also feel that the whole scheme of 5g network has not operated under the very well-established 'precautionary principle' with regard to the possible impact on health and well being.

Kind regards
