Subject: Proposed Expansion of Shoreham Airport
To: planning@adur-worthing.gov.uk <planning@adur-worthing.gov.uk>

Hi

Please could you add my comments to your consultation.

I live in Brighton, but am very affected by the planes from Shoreham, as they constantly fly over my area once they've pootled along the coast, then turning to go back to Shoreham. These "hobby" planes are a noise nuisance.

I am strongly opposed to the expansion of the airport, and as the lease is two thirds owned by Brighton Council, I will be in touch with them to register my objections too.

Kind regards
