To Whom it may concern,

RE: Proposed extension of 69 Buckingham Road

We are the neighbours to the north of the above property and understand there may be a concern with the planning application that the extension could be overbearing to our property

Having studied the plans in detail with our neighbours we would like to confirm that we are happy with current planning proposal and do not feel this would be overbearing for us, and would like to offer our support for the application.

Kind Regards,
