For the attention of: Marie O'Keeffe

Planning Application No: AWDM/0074/25

Site: Land At Former 5 Brighton Road, Shoreham-by-sea, West Sussex

Proposal: Approval of Details Reserved by Condition 13 (Access & Frontage Specifications) of Application No AWDM1962/22

National Highways Ref: NH/25/09697

Dear Ms O'Keeffe

Thank you for your email of 23 January 2025 consulting National Highways on the application referenced above and requesting a response by 13 February 2025.

National Highways has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such National Highways works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity. We will therefore be concerned with proposals and policies that have the potential to impact the safe and efficient operation of the SRN, in the case of this proposal, particularly the A27 Trunk Road.

The A259 in this location is part of Local Road Network managed by West Sussex County Council who should be consulted.

The details required by condition 13 do not impact upon the safety and operation of the SRN and accordingly National Highways have No Objection to the proposals.

If you have any queries regarding this response, please contact us at PlanningSE@nationalhighways.co.uk

Kind regards

Elizabeth Cleaver (she/her/hers) Assistant Spatial Planner
